

Neighbourhood Plan 2017-2036

COMMUNITY QUESTIONNAIRE

We all have the chance to influence future development and your opinion counts.

Neighbourhood Plans give local people the power to shape the area they live or work in. The survey is open to all Gerrards Cross residents of any age and one questionnaire is being delivered to each household.

The results of this survey will determine the underpinning principles and overall direction of our plan and so it is very important that you, your family and your neighbours take this opportunity to make your views known.

We have already held open events for the community to tell us what they care about in our Town. This questionnaire has been drawn up as a result of your comments so far.
