*Neighbourhood planning is a community-led process.
It enables people to help shape development in their local area.*

*The GXplan aims to promote the best interests of the community,
based on local people's views, and local needs, and offers some
protection against development.*

*The GXplan Team have been working on a range of issues during
the past months. You are warmly invited to look at the results and
ideas so far, and to give your feedback at this public event.*
