

Gerrards Cross Neighbourhood Plan Youth Survey

Gerrards Cross Town Council are writing a "Neighbourhood Plan". A Neighbourhood Plan is a document which will show what we (the people who live here) wish Gerrards Cross to look like in 20 years' time. We want you to tell us what you would like the village to be like in the future. We need you to tell us what you like, what you don't like, what you would like to see in Gerrards Cross and what you don't want in Gerrards Cross.

➤ Are there places we definitely shouldn't build houses? (please say where)		
We should make sure there are gaps between Gerrards Cross and neighbouring villages and towns		
What is your main method of travelling around Gerrards Cross?		
Better footpaths and cycle paths should be created in and around Gerrards Cross to avoid the need for cars		
All the parks and play areas should be kept where they are, and new places should be found for extra leisure activities with good and modern equipment		
Better sporting facilities should be built for everyone in the town to use		
➤ What extra/different facilities would you like to see?		
Gerrards Cross should look and feel the same as now even when it grows		
We should protect our old buildings		
Is there anything else you would like to see in Gerrards Cross?		
Is there anything else you would like to add?		

Thank you very much for your time 😊
